

Phab - Information on leaving a legacy in your will 2023

One of the most powerful ways you can support Phab is by leaving a gift in your Will.

Phab works tirelessly to inspire and support disabled and non-disabled children, young people and adults, to make more of life together, breaking down community barriers, reducing social isolation, and creating opportunities for all involved to enjoy the same activities and challenges side by side.

By remembering Phab with a gift in your Will, after you've taken care of loved ones will ensure that our important work lives on and pass on something wonderful to future generations.

Leaving a gift in your Will can seem daunting and indeed many people have little or no understanding of how estate planning coupled with professionally drafted Wills and Will trusts can protect homes and other valuable assets, whilst vulnerable people often need special Will trust arrangements to protect them if a carer passes away but you can be assured that Phab will always be here to support you.

With that in mind, we have now partnered with Heritage Wills and Trusts, CEO Neal Astbury qualified in financial planning personal and corporate finance through the Chartered Insurance Institute launched HWT in 1997 having qualified through the Society of Will Writers and the Institute of Professional Will Writers Neal's objective was to protect people from the effects of Intestacy (dying without a legally valid Will).
