Playing our lottery gives you a chance to win a cash prize whilst also supporting our charity!

Phab National changes lives by enabling disabled and non-disabled children, young people and adults to make more of life together - reducing social isolation and creating opportunities for all involved to enjoy the same activities and challenges side by side. We work in partnership with other charities to widen the opportunities for disabled people to get involved and try something new, learn new skills, have fun, build confidence and independence. We encourage our members to set up Phab Clubs in their own areas.

Around 130 Phab Clubs across England and Wales, enable their 8,000 members, to get together with friends and family for activities and social events. Some Clubs meet each week, with members enjoying each other's company and different activities including trips out to the cinema, bowling, sports events or a night out on the town! Phab Clubs have also been set up within Universities and Schools which are run by their students where everyone can learn together.

Phab Clubs can make a real difference to the lives of disabled and non-disabled people, their families and their wider communities. And Regional and National events organised by Phab bring local Clubs and Members together to share experiences, support each other and enjoy time away together.
